Educational Beach Cleanup Event

We are pleased to inform you that our employees participated in the Educational Beach Cleanup Event held at Governors Beach Limassol from 10:00 AM until 12:50 PM on the 29th of September 2024.

The event was organized by the Corporate Social Responsibility Committee along with the Limassol-Pafos Coordinating Committee of ICPAC in collaboration with Pentakomo Community Council, the Life Saving Federation and Let's do it Cyprus.

Our employees enjoyed the event, got valuable knowledge and experiences especially on first aids and helped clean the nearby beach. Such organized efforts are always welcome, and our Firm urges its employees to participate in these events and try to give back to the society as much as possible.
